Summary

I'm a freelance multi-disciplinary graphic designer who's delivered creative and engaging solutions across brand identity, print, packaging, and digital media.

I am still a student, but I have done things on my own like I know how to use Adobe products (Photoshop, Lightroom, Illustrator, Premiere Pro, After Effects, Adobe XD) also I have made my own website without any commercial domain and free of cost, starting from domain to hosting everything is free. I also have knowledge of Kali Linux, VMware Labs, and Cyber Security.

Learn Student Ambassador

April 2021 - May 2021 (2 months)

The Microsoft Learn Student Ambassadors (formerly called Microsoft Student Partners) is a program to sponsor students majoring in disciplines related to technology. The MSP (now MLSA) program enhances students' employability by offering training in skills not usually taught in academia, including knowledge of Microsoft technologies.
